WOOD FOR SALE

TESTED MATERIAL FOR HOME BUILDING

appeals to the conservative man
because it offers a tangible basis
upon which to reckon. Take
lumber, for instance, and you
can see evidence on all sides
where houses that were built of
wood have outlasted a generation,
and are today (if they
have been given proper care)
as good as new. Wood has
stood the test, and he is justified
today as economically as any
other material, considered from
all points—appearance, dura-
bility and healthfulness. In its
use you have precedence to go
by. What others have done
with it you can do, and the lum-
ber we handle these days is the
product of the best "quality"
mills in the United States. It's
a pleasure to show it as well as
to talk its various uses, and we
are at your service from 7 to 6
daily. Come in.

A Wonderful Tonic That Aids Digestion

Thousands are unable to digest
certain kinds of food. In most cases this
is not the fault of the food, nor the stom-
ach. It is probable that the stomach
has been abused. Many resort to pre-
digested foods and various kinds of
medicines to get relief from dyspepsia,
indigestion and heartburn, but without
permanent benefit.

If your stomach was in perfect con-
dition, you would not need medicine to
digest the foods you eat. Jayne's Tonic
Vermifuge is a stomach regulator. It
gets the stomach in such a condition
that it will digest food without other
assistance. It overcomes the acidity
and stimulates the coating of the
stomach and intestines so that they
will properly absorb and assimilate the
nutrients from the food eaten. Suf-
fers from dyspepsia and indigestion
will find permanent relief in a short
time. After beginning the use of the
Tonic, the children, the addition of a
little sugar will make it most palat-
able.

Many forms of supposed indigestion
are the result of intestinal parasites,
for which Jayne's Tonic Vermifuge is
unsurpassed. Inasmuch as Jayne's
Tonic is not a medicine, it is safe for
all ages. Millions have praised it
for more than eight years. Sold by
druggists everywhere. Dr. D. Jayne &
Son, Philadelphia, Pa.
